Mitchell Thorp

FOUNDATION

OUR MISSION & PURPOSE

Supporting families whose children suffer from life-threatening illnesses, diseases, and disorders by providing financial, emotional, and resource support to their desperate situation. We work to make a difference **today** for a child who is fighting for their **tomorrow** to bring hope, relief, and transform lives.

OUR IMPACT

The families we support receive more than just financial support for mortgages, rent, medical bills, and groceries. They also receive family counseling, financial and insurance guidance, as well as wheelchair and ADA assistance. This is the most difficult time in the lives of these families and we do all we can to fight along side these families.

OUR INSPIRATION

The foundation was inspired from Mitchell Thorp, who fought a 5-year battle with an undiagnosed illness. There was no diagnosis or cure. Through their own personal journey, the Thorp Family knows firsthand the heartache that parents face when their child is diagnosed with a critical illness. Mitchell lives on through the Mitchell Thorp Foundation as inspiration to young children who suffer from life-threatening illnesses.

WARRIOR SPIRIT 5K RUN/WALK & FAMILY FESTIVAL

Mitchell Thorp Foundation's Warrior Spirit 5K Run/Walk & Family Festival has been a staple event in San Diego County for the past 14 years. This event raises funds for families we support and brings awareness to the critical and life-altering illnesses the children are fighting. The Thorp's truly understand what community and love is all about because a 5K was held to raise money for their family to afford Mitchell's medical bills. When communities of willing and giving hearts come together, miracles DO happen.
